

Students' Webinar (2021)

The Department of Economics organised the students' Webinar on 18th June, 2021, at 2.0 pm via the Google Meet platform. At that time all offline work was suspended due to the pandemic. Hence the college decided to hold the annual seminar in the online mode. The topic was **“The Socio-economic Impact of Covid-19: India and the World”**. It was a grand success with the students putting in a lot of hard work and research in preparation of the topic. This was a new situation for them but they came out with flying colours.
