

REPORT ON THE FIRST ALUMNI MEET OF THE DEPARTMENT OF MATHEMATICS, ST. PAUL'S CATHEDRAL MISSION COLLEGE

The Department of Mathematics, St. Paul's Cathedral Mission College hosted its **first alumni meet**, titled "*Algebra of Togetherness*", on 26th January, 2025. The event witnessed an overwhelming participation of **54 alumni** along with the **present teaching and non-teaching staff members of Department**, Vice-Principal, and the Secretary, **Teacher's Council Secretary**, making the event a grand success. The program commenced with an inaugural session, where the Vice-Principal addressed the August gathering, extending a warm welcome to the alumni and highlighting the achievements of the Department of Mathematics over the years. The Secretary, Teacher's Council also shared his valuable insights about the importance of alumni meet in building a stronger academic network. Departmental teachers recollected their memories about the alumni and also stressed upon regular alumni meet for the beneficial of the Department. Following the formal inauguration, the alumni were invited to introduce themselves to share their career journeys, and to express their gratitude toward the institution which shaped them in present form and made them aware of life. It was a moment filled with nostalgia as old students reminisced about their time in college, reliving fond memories and recalling the guidance they had received from their teachers. A group photo was taken at **1 p.m. in front of Jani-Ali building**, capturing the essence of togetherness and unity. This was followed by a delicious lunch, providing everyone with an opportunity to interact informally and strengthen their bonds. The program concluded with a vote of thanks delivered by the Convener, who expressed heartfelt gratitude to the alumni, students, teaching staff, non-teaching staff, and the college administration for their contributions to make the event successful. The convener highlighted that "*Algebra of Togetherness*" was not just a gathering but the beginning of a long-lasting connection between past and present generations of the department.
