

Parent-Teacher Meeting – Department of Economics

Date: 19.07.2024

The Department of Economics at St. Paul's Cathedral Mission College successfully conducted its annual Parent-Teacher Meeting (PTM) for Semester 2 students of the academic session 2024 on **19th July 2024**. This interactive session, held on campus, witnessed active participation from both parents and faculty members, underscoring the department's commitment to fostering a collaborative academic environment.

The Parent-Teacher Meeting is a longstanding and valued practice of the Department of Economics, aimed at strengthening the communication between the college and the families of our students. It serves as a platform for constructive dialogue, where faculty members provide academic feedback, address concerns, and discuss the progress and overall development of students.

During the meeting, parents were briefed about the academic curriculum, internal assessment procedures, attendance requirements, and support mechanisms available to students. Faculty members also took the opportunity to discuss individual student performance and explore ways in which both the department and the family can work together to support student success.

The department acknowledges the essential role that parental involvement plays in a student's academic journey. Events like the PTM reaffirm the importance of a holistic educational approach where consistent communication and shared responsibility contribute significantly to academic excellence.

The Department of Economics extends its gratitude to all the parents who attended and looks forward to continuing this meaningful tradition in the years to come.

Date: 19.07.2024.
