

Report on Annual Student Seminar 2026 held on March 12, 2026

The department of Political Science had organized its Annual Student Seminar on March 12, 2026 on "United Nations: Dead or Alive?" with special focus on the ongoing crises in Venezuela and Iran. Considering that the topic has economic and historical aspects, the judges for the event was Dr. Anamitra Sarkar from the History department and Dr. Indrani Banerjee from the Economics department.

The paper presenters were judicious and put forward critical understanding on this issue, delving deep into the socio-political, historical and economic aspects of the crisis. The role of India was duly addressed as well.

The annual seminar not only enables the students to have an holistic understanding of the national/international events but also makes them eloquent and comfortable in public speaking.

There were nine speakers among which Ritika Thapa (Sem-VI), Stela Nayak (Sem-III) and Tamoshree Das (Sen-VI) acquired the first three positions

Winner Tamoshree Das with the judge Dr. Indrani Banerjee
