

Report on the Special Lecture on the Challenges of the Transgender Persons held on March 11, 2026

A special lecture was organised by the Department of Political Science in collaboration with the IQAC, Gender Studies Group and Internal Complaints Committee of the College on 11th March 2026 in the Seminar Hall.

The keynote address by Dr. Ranjita Sinha analysed the evolution, aspects and challenges facing transpersons today. The special discussant Dr Mrityika Chatterjee analysed the key articles and challenges of the Transgender Persons (Protection of Rights Act) of 2019.

The awareness programme sensitised the students regarding the provisions made by the Government, the grievance redressal measures and the continuing challenges on the road for transpeople.

Our students realised the importance of creating and advocating for safe, inclusive spaces and open dialogue to foster trust and build a harmonious and progressive society
