

Report on the Workshop on Gender and Sexuality held on September 19, 2025

We are thrilled to announce that our workshop, "Gender & Sexuality" which was an honest attempt in "Understanding Gender-Sexuality Through the Lived Experiences of Gender Sexually Marginalized Individuals," held on September 19, 2025, at St. Paul's Cathedral Mission College, was a GRAND SUCCESS!

Organized by IQAC St. Paul's Cathedral Mission College, in collaboration with Department of Political Science, Gender Studies Group, and Sappho for Equality, created a vital, inclusive space for dialogue and understanding around crucial issues of gender and sexuality.

Thank you to all who attended and contributed to making this a memorable step towards a more understanding and accepting society! Together we will continue to make efforts to break stereotypes and promote inclusivity and diversity.
